## MARK MAY 17TH AS THE SOCIAL EVENT OF THE YEAR!

### WHAT IS THE SPRING SOCIAL?

You have been hearing about the “Spring Social” now for a month or two, and you are wondering what is the event all about? To begin with, this is the third year we are holding this wonderful event. It is a Benefit for the children at Miramar Ranch. This is an adult only evening where our parents,

caretakers, and guests can gather, catch up with one another, and enjoy a fun evening out! Ladies, if your husbands are unable to attend, then grab some other moms or your girlfriends, and have a “Girls Night Out!” Please feel free to invite any guests you feel would enjoy an evening out to support our school!

The Spring Social Committee is working hard to ensure our guests will have an incredible dinner thanks to many of our local restaurants. Each of these restaurants have graciously agreed to donate a dish so all our guests may have a “taste of the ranch.” We will also be providing wonderful wines, beer, and a martini bar that will have every flavor representing Spring! Our favorite DJ (“DJ Bumps”) Brian Bowman, well known throughout San Diego, will be providing our musical entertainment throughout the evening, and for those of you who spend hours travelling to Las Vegas, we are bringing the Casino to you! There will be Roulette, Poker, Black Jack, etc. While taking a breather from the tables, don’t forget to stroll by the Silent Auction tables and place a bid or two on one of our beautiful baskets. Remember, every donation is used for educational benefits for all our children at Miramar Ranch!

Education is first and foremost in our homes and community. Contributions from our families and businesses will advance many new and continuing efforts on behalf of the Family-Faculty Association.
